

## Tayto Park –Testimonial

Tayto Park in Ashbourne County Meath is a fun and educational activity park with over 100 attractions for all the family. It is in its second year of business and has taken 5 years of planning. It has been designed to ensure that the best experience possible is delivered to all our visitors. It is truly the first of its kind in Ireland with a total investment of €12.7 million.

The full experience of Tayto Park takes approximately 4.5 hours. Since it opened it has gone from strength to strength. Projected visitor numbers for 2012 are 500,000. We employ 126 part time staff in the summer months and 45 full time staff throughout the year. In 2012 we have enhanced the visitor experience with many new attractions including the zip wire, the giant slide and the arrival of the first white lions in Ireland.

Ashbourne was the desired location for Tayto Park with the accessibility of the M50 and N2 only minutes away. Tayto Park is situated in a beautiful location within County Meath which is the “Heritage Capital of Ireland”. We have a local committed workforce who truly add to the experience of Tayto Park.

Meath County Council and local businesses have provided us with planning advice, understanding and encouragement throughout this entire project.

We endorse Ashbourne and North East Meath as a great place to do business.

Signed.....
