DA/110457	McGarrell Reilly Contractors Block E Iveagh Court Harcourt Road Dublin 2	P	07/03/2012	C	for a ten year permission for infrastructural works for the proposed section of the distributor road to be developed on the subject lands is 0.518 kilometres (518m) in length and consists of a 7.3m wide carriageway with integrated cycleways, footpaths and landscaping on either side resulting in an overall width of 17.3m. The alignment is consistent with the Kilcock Environs Local Area Plan (LAP) 2009-2015 objectives and is integrated with the alignment of the road over the balance of the LAP lands. The proposal also includes all ancillary site development works including surface water drainage, foul water drainage, water supply and utilities infrastructure within the proposed road. Associated flood mitigation works include provision of a new engineered flood relief channel and flood storage area south of the proposed distributor road. As part of the flood protection measures, the proposal also provides for the partial reprofiling of the lands with the excavated material to a site level of 65.55m and 66.05m AOD. The proposed development will take place on lands of c.10.996 ha in area bounded by the R125 to the east, the River Rye to the south and west and adjacent lands to the south and north in the townlands of Dolanstown & Newtownmoyaghy, Kilcock. The proposed infrastructural works form part of a comprehensive overall coordinated design for the delivery of a distributor road, associated services, a new signalled controlled junction to the R125 and flood mitigation works which are included as objectives in the Kilcock Environs Local Area Plan 2009-2015. The overall distributor road will link the R148 (Maynooth-Kilcock Regional Road) to the southeast with the existing roundabout on the R158 (Summerhill Road) to the northwest. The portion included in this application is located on the M&M Construction	30/03/2012
