TA/120195	Lagan Cement Limited	P		31/07/2012	F the removal of the existing asphalt plant from its current location south of the existing limestone quarry on a circa 4.58ha site (as permitted under reg. ref. 01967) and its relocation to the north of the existing cement works on a circa 1.74ha site within the overall landholding of 269.625 hectares, located in the townland of Killaskillen, Kinnegad, Co Meath. The proposed development also provides for the amendment of reg. ref. TA70518 (concrete products production area permission) by the replacement of the permitted dry mortar plant with the relocated asphalt plant. The existing asphalt plant permission (reg. ref. 01967) will be rescinded when the relocation of the plant is completed. The proposed development comprises; the provision of an internal access route including two number roundabouts, two number weigh bridges and a surface water drainage system (all as permitted under reg. ref. TA70518): the relocation of the asphalt plant from its current location to the area intended for the permitted dry mortar plant (reg. ref. TA70518): and all other site development works above and below ground. All structures located within the existing asphalt plant area will be removed or demolished as appropriate to facilitate the permitted future quarrying of this area (reg. ref. TA900603). The administration and staff facilities buildings associated with the onsite cement works (within the overall land holding) will service the relocated asphalt plant. The proposed development will not result in any increase to the permitted production capacity of the asphalt plant of 80,000 tonnes per annum. The relocated asphalt plant itself, includes inter alia eight number inline cold feed bins, rotary dryer, high level screening and mixing tower, dust collection system, control cabin, three number mixed material storage silos, three
