

Year:	2023
Parent Department:	Transport
Name of Contracting Body:	Meath County Council
Name of Project/Description:	The proposed LDR4 Abbeyland Navan scheme comprises an urban single carriageway cross section of approximately 1.15km in length, consisting of two 3.25m wide lanes, 2.0m wide raised one-way cycle track on both sides, 2.5m wide footpaths on both sides, road verges, earthworks and drainage ditches. The proposed alignment commences to the north with a proposed 4-arm signalised junction on the L3409 Ratholdron Road replacing the existing L34094-1 Clonmagadden Road T-junction. The alignment runs south across a small area of woodland and agricultural land. The alignment turns southeast and follows broadly the western boundary of Blackwater Park. From here, the alignment runs south and across the River Blackwater almost perpendicularly. The alignment continues southbound to the east of the residential properties at Blackwater Park, requiring the demolition of an existing commercial building. The alignment ties into the existing R147/N51 roundabout which will be upgraded to a 4-arm signalised junction. The proposed road development also includes a new single span river bridge over the River Blackwater (overall length 45m)
<b>Procurement Details</b>	
Advertisement Date:	Stage 1 28/10/2022 – Stage 2 17/08/2023
Tender Advertised in:	E-Tenders
Awarded to:	John Cradock Ltd.
EU Contract Award Notice Date:	25/01/2024
Contract Price:	€12,598,399.95 ex VAT
<b>Progress</b>	
Start Date:	08/01/2024
Expected Date of Completion per Contract:	07/10/2025
Spend in Year under Review:	€420,374
Cumulative Spend to End of Year: 2023	€2,211,841
Projected Final Cost:	(Est.) €14,000,000
Date of Completion:	(Est.) 2025
<b>Outputs</b>	
Expected Output on Completion	New Local Distributor Link Road for Navan Town
Output Achieved to date	Contractor appointed; construction commenced January 2024
