### **7 Notice of Motion**

#### **7.1 Submitted by Councillor Francis Deane**

I propose that Meath County Council install a new footpath at Abbeylands, Navan, where sections of the footpath have been crumbling in recent years. The area in question is adjacent to the proposed regeneration site.

#### **7.2 Submitted by Councillor Edward Fennessy**

I call on the Executive to provide additional car parking spaces on the Ratholdren Estate.

#### **7.3 Submitted by Councillor Edward Fennessy**

I call on the Executive to remove the 'Parking Bay' and reinstate at a different location on the street, to cut back the protruding sections of footpath opposite DT Motor Factors on Cannon Row, and to remove parking on either side of the road at that point.

This is aimed at widening the road to improve traffic flow, particularly for the Town Bus Service which travels through Cannon Row every 15 minutes and is often impeded at that point by cars and vans parked poorly.

#### **7.4 Submitted by Councillor Tommy Reilly**

I call on Meath County Council to engage with the Department of Justice (INIS) application to provide a pedestrian bridge from Balmoral Industrial Park to Blackwater Park.

#### **7.5 Submitted by Councillor Tommy Reilly**

I call on Meath County Council to ensure the proposed Master Plan 13 land between Commons Road and the Trim Road make provision for at least 30 acres of community land.
