# The Competition

## The Position

Meath County Council invites applications from suitably qualified persons who wish to be considered for inclusion on a panel from which permanent & fixed-term contract vacancies for the position of Community Safety Coordinator in the Local Community Safety Partnership shall be drawn.

## Community Safety Policy

The Department of Justice has developed a new community safety policy based on a key principle that policing is not the responsibility of the police alone and involves other agencies of Government such as health and social services. The Community Safety Policy proposes a whole-of-government approach to community safety. At the heart of this policy is the principle that every community has the right to be and feel safe in order to thrive and flourish.

This new approach will be delivered through Local Community Safety Partnerships (LCSPs), supported through a national governance structure. This structure will ensure that communities are empowered to have a strong say in what actions are prioritised by the services operating in their area, and will also have a key oversight role in ensuring those actions are followed through.

## Objectives of the Local Community Safety Partnerships

The partnership approach is built on two premises:

1. Every community is different and has different problems and issues.
2. Responding to those problems and issues requires a range of inputs from across Government, local services, voluntary sector and the community itself.

The response to the issues identified above requires the following elements:

1. Community engagement in identifying what the needs of the community are;
2. Commitment and buy-in from State, local and voluntary service providers to work together to address those needs.

The LCSPs aim to foster sustained community involvement in identifying needs and co-designing solutions, and sustained commitment from services in working together to address those needs.

# Structure of Local Community Safety Partnerships (LCSPs)

Membership of each LCSP will include: residents; community representatives, including representatives of youth, new communities and the voluntary sector; business and education representatives; relevant public services in the area, including HSE, Tusla, AGS, and the local authority; and local councillors, The LCSP will have a maximum of 30 members.
